Dear brother Hassan Al Turabi,

Assalamu Alaikum wa Rahmatullah wa Barakatahu,

I have been following with keen interest the elections in the Sudan and am gratified with the results achieved by the Jabha. This is a development of considerable significance because it was for the first time that Jabha contested national elections. Undoubtedly, Jabha's performance will be a source of inspiration and encouragement to Islamic movements everywhere, especially in the neighbouring Muslim countries.

I take this opportunity to express sincere and brotherly greetings on my own behalf and on behalf of the Council. We pray to Allah to help you and the Jabha in the establishment of a truly Islamic order in the Sudan.

With kind regards and best wishes,

Yours sincerely,

Salem Azzam
Secretary General
